2017 Laminated U.S. Immunization Schedules – both child/teen and adult versions available!

IAC has two laminated immunization schedules for 2017 – one for children/teens and one for adults. Based on CDC’s immunization schedules, these laminated schedules are covered with a tough, washable coating. This allows them to stand up to a year’s worth of use as at-your-fingertips guides to immunization and as teaching tools you can use to give patients and parents authoritative information. Plus,

each schedule includes a guide to vaccine contraindications and precautions, an additional feature that will help you make on-the-spot determinations about the safety of vaccinating patients of any age. ■ To order any of our essential immunization resources listed below, print out and mail or fax this page, or place your order online at www.immunize.org/shop.
