Immunization record cards for all: for adults, for children and teens, for a lifetime!

Immunization record cards give healthcare professionals a way to help patients maintain a permanent record of their vaccinations. Having one's own vaccination record is handy for patients when they enter college; change healthcare providers; or travel abroad. ■ The Immunization Action Coalition offers three record cards: adult, child and teen, and lifetime. Each is designed for a specific age group and lists

all vaccines recommended for people in that age group. Sized to fit in a wallet, each is brightly colored to stand out and is printed on durable rip-, smudge-, and water-proof paper. ■ To order record cards or any of our other essential immunization resources, print out and mail or fax the form below, or place your order online at www.immunize.org/shop.
