

The Immunization Action Coalition Can Help Your Immunization Coalition!

Join the National Network of Immunization Coalitions and connect with more than 200 immunization coalitions and nonprofit leaders. Share ideas and resources and learn from national experts.

Email News Service: Immunization Coalitions Network News

Receive email announcements of interest to coalitions, including new resources, educational opportunities, and conferences.

Private Email Discussion Group

Join a private email discussion group where coalition members can ask questions, make announcements, share resources, and request help.

Website Listing

List your organization on the Immunization Action Coalition's website for coalitions, www.immunizationcoalitions.org, which features local, state, regional, and national coalitions. This website allows interested supporters of immunization to contact coalitions for resources, ideas, or volunteering.

Immunization Coalitions Network Webinars

Participate in periodic webinars with coalition members and national experts on topics of interest to immunization coalitions and nonprofit leaders.

Leaders' Monthly Conference Calls

Discuss concerns and share ideas with coalition and nonprofit directors on monthly conference calls.
